Hi everyone!

I bet you're all excited to dress up and go trick-or-treating once again! It's a very fun celebration. I remember when I was younger, I used to go around my village in superhero to hippie costumes with my siblings and cousins, ringing doorbells and asking for candies, too! But do you know where the idea of wearing Halloween costumes came from? Hundreds of years ago in Europe, people believed that ghosts roamed the streets on Halloween night. So they decided to put on masks when they left their homes to fool the ghosts into thinking they were other spirits!

And why did people start trick-or-treating? Back in early All Souls' Day, there were a lot of parades in England. During the festivities, poor people would beg for food and families would give them pastries called "soul cakes" in return for their promise to pray for their relatives who had passed away. Children eventually took on this tradition known as "going a-souling" and they would visit houses in their neighborhood for drinks, food and money.

Deviating from the Halloween festivities, however, one recent important event was the visit of Prince Andrea Casigrahi of Monaco. It's amazing to see a real prince come visit our country to help our less fortunate brothers and sisters, as well as the depressed areas in our country. It's a very inspiring tale which I hope will lead us to follow in his footsteps.

For now, have a great Halloween everyone!

D-I-Y HALLOWEEN MASKS

Don't know what to wear for Halloween? Just gather some materials at home and create two of the coolest-looking masks for trick-or-treating!

ROARING DINO MASK

Materials:

- Old folders
- Stapler
- Scissors
- Glue
- Masking tape
- Pencil/ coloring materials

Process:

1. Cut out a triangle from the crease of a closed folder. This will be the dinosaur's mouth so make it wide enough for your face to peep from it.
2. Cut a strip of folder and curve it like a rainbow. Staple it to the upper portion to connect the two ends of the mouth. It should look like a headband. Size it on your head to make sure it fits.
3. Draw and cut out two dinosaur eyes and make them mean-looking.
4. Stick the 2 eyes on either side of the mask.
5. Cut out 2 rectangles from another folder and make the dinosaur's mouth longer by adding an extension in the upper and lower jaws.
6. Now the fun part! Cut out small triangles and glue them along the mouth to make its teeth.

Wear it on your head, and make sure your face peeps through its gaping jaws as if you're wearing a dinosaur head. Enter your Halloween party with a roar!

SPOOKY WITCH HEADDRESS

Materials:

* 2 Old folders
* Crepe papers
* Colored papers
* Stapler
* Scissors
* Glue
* Masking tape
* Pencil/coloring materials

Process:

1. Cut a closed folder in half, crosswise.
2. Take one part and cut a slit in the middle of the folded area. Open the folder up and check if your head fits snuggly in the hole made.
3. Cut long strips of crepe paper, around one inch thick.
4. Glue them to the upper portion of the folder. Let it dry.
5. Draw a spooky witch's upper body on some cardboard. Color it using your favorite coloring materials or cut out colored folders for different parts of its body. (You can make zigzag cuts for the sleeves and frizzy hair to make it extra eerie!)
6. Staple the witch's body on the upper part of the folder. Cover up the staple wire with some masking tape to make it safe to wear.

Wear it on your head like a hat and trick-or-treat around the streets with your face covered in crepe strips (that adds to the spooky effect!). Just be sure you get to peek behind the crepe strips so you can see where you're going!

Trick-Or-Treating Tips

Make the most out of this highly celebrated occasion while keeping safe at the same time!

Every year, the night of October 31st is celebrated the world over as Halloween Night. It is also known as the eve of All Saints' Day—Hallow, thus implied as All Hallow's Eve. It is an occasion to dress up in costumes and go door-to-door collecting sweets.

Here are some tips on how to make the most out of the celebration—and at the same time, how to stay safe.

HAPPY trick-or-treating!

- Start early. When you're one of the first to ring the doorbell, chances are, there are still plenty of goodies for you (the later you come, there's a better chance that some of the houses will have run out of goodies! You know what they say: the early bird gets the worm!)
- Always be polite. Smile and make sure you say "please" and "thank you."
- Don't play any nasty pranks on anyone—no one will want to entertain you!
- Stay safe. Make sure an adult accompanies you and visit houses of people that you know. Never enter a stranger's home and make sure your parents know where you are going.

All Rittersport, Van Houten, Baby Ruth, Butterfinger, Swiss Miss chocolates and Fun-Fun candies are available at most supermarkets

SPELLBINDING SHOWS

When trick-or-treating hours are over, celebrate the rest of the Halloween evening with these entrancing shows!

When you sit down in front of the TV this Halloween, keep a close eye on those delicious candies and mouth-watering chocolate that you got from trick-or-treating. You might just get bewitched by these Halloween shows!

THE ADDAMS FAMILY

Gomez, Morticia, Wednesday and Pugsley Addams are but some of the members of this strange family. As the song goes: "They're creepy and they're kooky, mysterious and spooky, they're altogether ooky, the Addams Family." Despite their strangeness, you'll find yourself singing along and laughing as they reveal their funny and loving selves.

CASPER

Can't sleep without a night light? Don't get scared by Casper's "Boo!" because this friendly ghost doesn't scare at all. Grab a copy of the film and see how kind and heartwarming Casper can be. You might just get a good night's sleep.

SABRINA THE TEENAGE WITCH

Most people think that witches are bad and that they brew evil potions in their big cauldrons. Sabrina isn't anything like that. She's just another teenager trying to live a fun life. The catch in being a teenage witch: She has to use her powers wisely and keep it a secret from all the mortals!

BUFFY THE VAMPIRE SLAYER

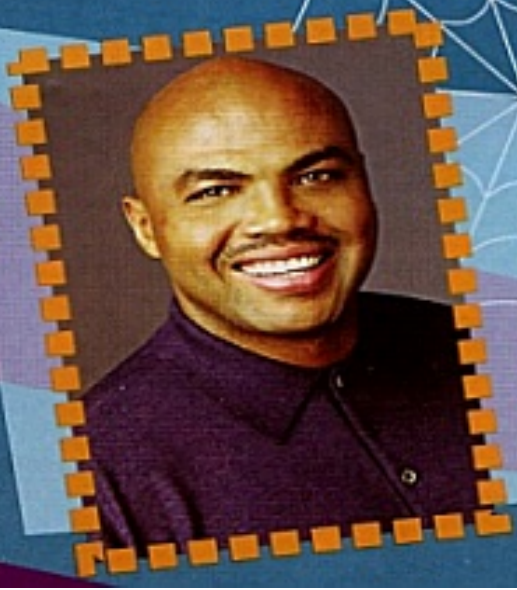
Buffy Summers fights evil in this TV show as she vanquishes vampires, demons and other supernatural spirits. This Halloween, join Buffy as she fulfills her destiny of bringing an end to those scary monsters.

TRICK-OR-TREAT TALES

Celebrities look back and recall some of their funniest Halloween memories!

Halloween is the perfect to think out-of-the-box and dress to the nines in extravagant costumes without being given the third degree on decency or playing the colors down. But in all the excitement, some mishaps are unavoidable—and yes, those celebrities you look up to? They're also human. Here are a few of the funny experiences that your idols went through in their own Halloween!

"I don't know if this is the worst Halloween story, but it's pretty funny! In 6th grade I made my own costume; I was a Bunch of Grapes. Before I had even left the house, I accidentally popped some of my balloons after realizing I couldn't fit through our front door! Needless to say, we had to blow up some more grapes once I got outside!!!"
—Tiffany Dupont, *The Bedford Diaries*



"I remember dressing up as a cowboy with the belt and holster and the big hat. But where I grew up, not many people gave out candy."
—Charles Barkley, NBA Player

"A few years back, my Backstreet Boys bandmate AJ McLean and I made a pact to dress as each other for a Halloween party. So I went all out, dressing up with AJ's signature goatee, mustache, bad-boy clothes and--of course--tattoos all over. Meanwhile, unbeknownst to me, AJ backed out of the party at the last minute. So I arrive, dressed to the hilt as AJ, and I'm so successful that many of the partygoers think that AJ has shown up without a costume!

In fact, my AJ disguise was so convincing that [male supermodel] Marcus Schenkenberg didn't even recognize me--even though I'd spent the entire night before talking to him at another party. I even started retelling a story we'd shared the night before with Pamela Anderson, whom Marcus was dating at the time. Marcus just sat there thinking that AJ must have lost his mind.

You would think that this was my "best" Halloween, since it was the most successful costume I ever had. But actually, I ended up feeling really bad, because I was afraid people would think I was making fun of AJ--or that AJ had just been too lazy to dress up in a costume. But no matter what, that's got to go down as AJ's worst Halloween ever!"

—Howie Dorough, The Backstreet Boys

A Royal Visit

A real prince came to visit the country and wowed the rest of the population with his gold heart and love for the less fortunate—and the environment

Prince Andrea Pierre Casiraghi, son of Her Highness Princess Caroline of Monaco visited Manila through AMADE Philippines and its close partner, Virlanie Foundation. The 22- year old prince, along with Virlanie volunteers, visited youth prisons and the depressed areas of Tondo and Manila.

He recalled some of his most memorable experiences in the country:

Most favorite encounter with the Filipinos:

"With Filipinos. They were so nice, I was impressed with all the singing and dancing I was lucky to see. I was inspired to continue my mother's work. I was very concerned with social work, and through her kind invitation, I planned to engage in humanitarian foundations. She told me of her wonderful experiences here, beautiful things in spite of the commonness of shantytown kids, abuse, slavery and lack of education, as in every third world country."

Causes that are close to your heart:

"I'm concerned with the environment. I'm visiting the areas of Subic and Clarkfield, where contaminated waters have caused thousands of deaths. My uncle is actually embarking on an expedition to the North Pole just like my great great grandfather did years ago, to study global warming and compare notes. We only have one world, we have to take care of it.

Most memorable experience:

"Payatas. It's one of the worst places I've seen in my life. The people scavenge garbage for a living and children sleep on piles of garbage. [But on a positive note, what's] also memorable is every child's smile."

Most gratifying experience:

"The determination of the volunteers. Knowing that we are helping kids have better futures—not only by sending them to school—but also by helping them be familiar with technology through information technology programs."

Message to the Filipinos:

"A message of hope. Despite everything, every small action can make a world of a difference. I got this from my mom: 'Even if you only have a glass of water to put out a volcano do put it out. There is no small step; every action counts.'"

The Ghost of Balmoral

... And that's it! See you in two weeks ! Happy vacation, girls!
YIPPEE!
Just think. ... Two weeks without school ! That's wonderful!
But why are we taking a break?
There's some kind of anniversary or something in Magix!
Sure ! Two weeks in Gardenia at my house!
Is your invitation still on, Bloom?
Elianor told me, but I don't remember what...
Who cares ? The only thing that matters is to have fun!

My parents will be happy to meet you!
But...is your house big enough, Bloom? Will we all fit ?
Well, we'll just squeeze in a little...anyways we're not staying long ! I have another idea!
Well...you go swimming... you look at the guys ...you sleep in late...and at night... you sing and dance on the beach around a bonfire!
We can all go to the beach and have a CAMP OUT! There's a campsite just a few miles from home!
Camp out?
What's that?
What do you think? You like the idea?
Wow!
I'll run and pack my bags!
Ha! Ha! And don't forget the sun-tan lotion!
I love it!

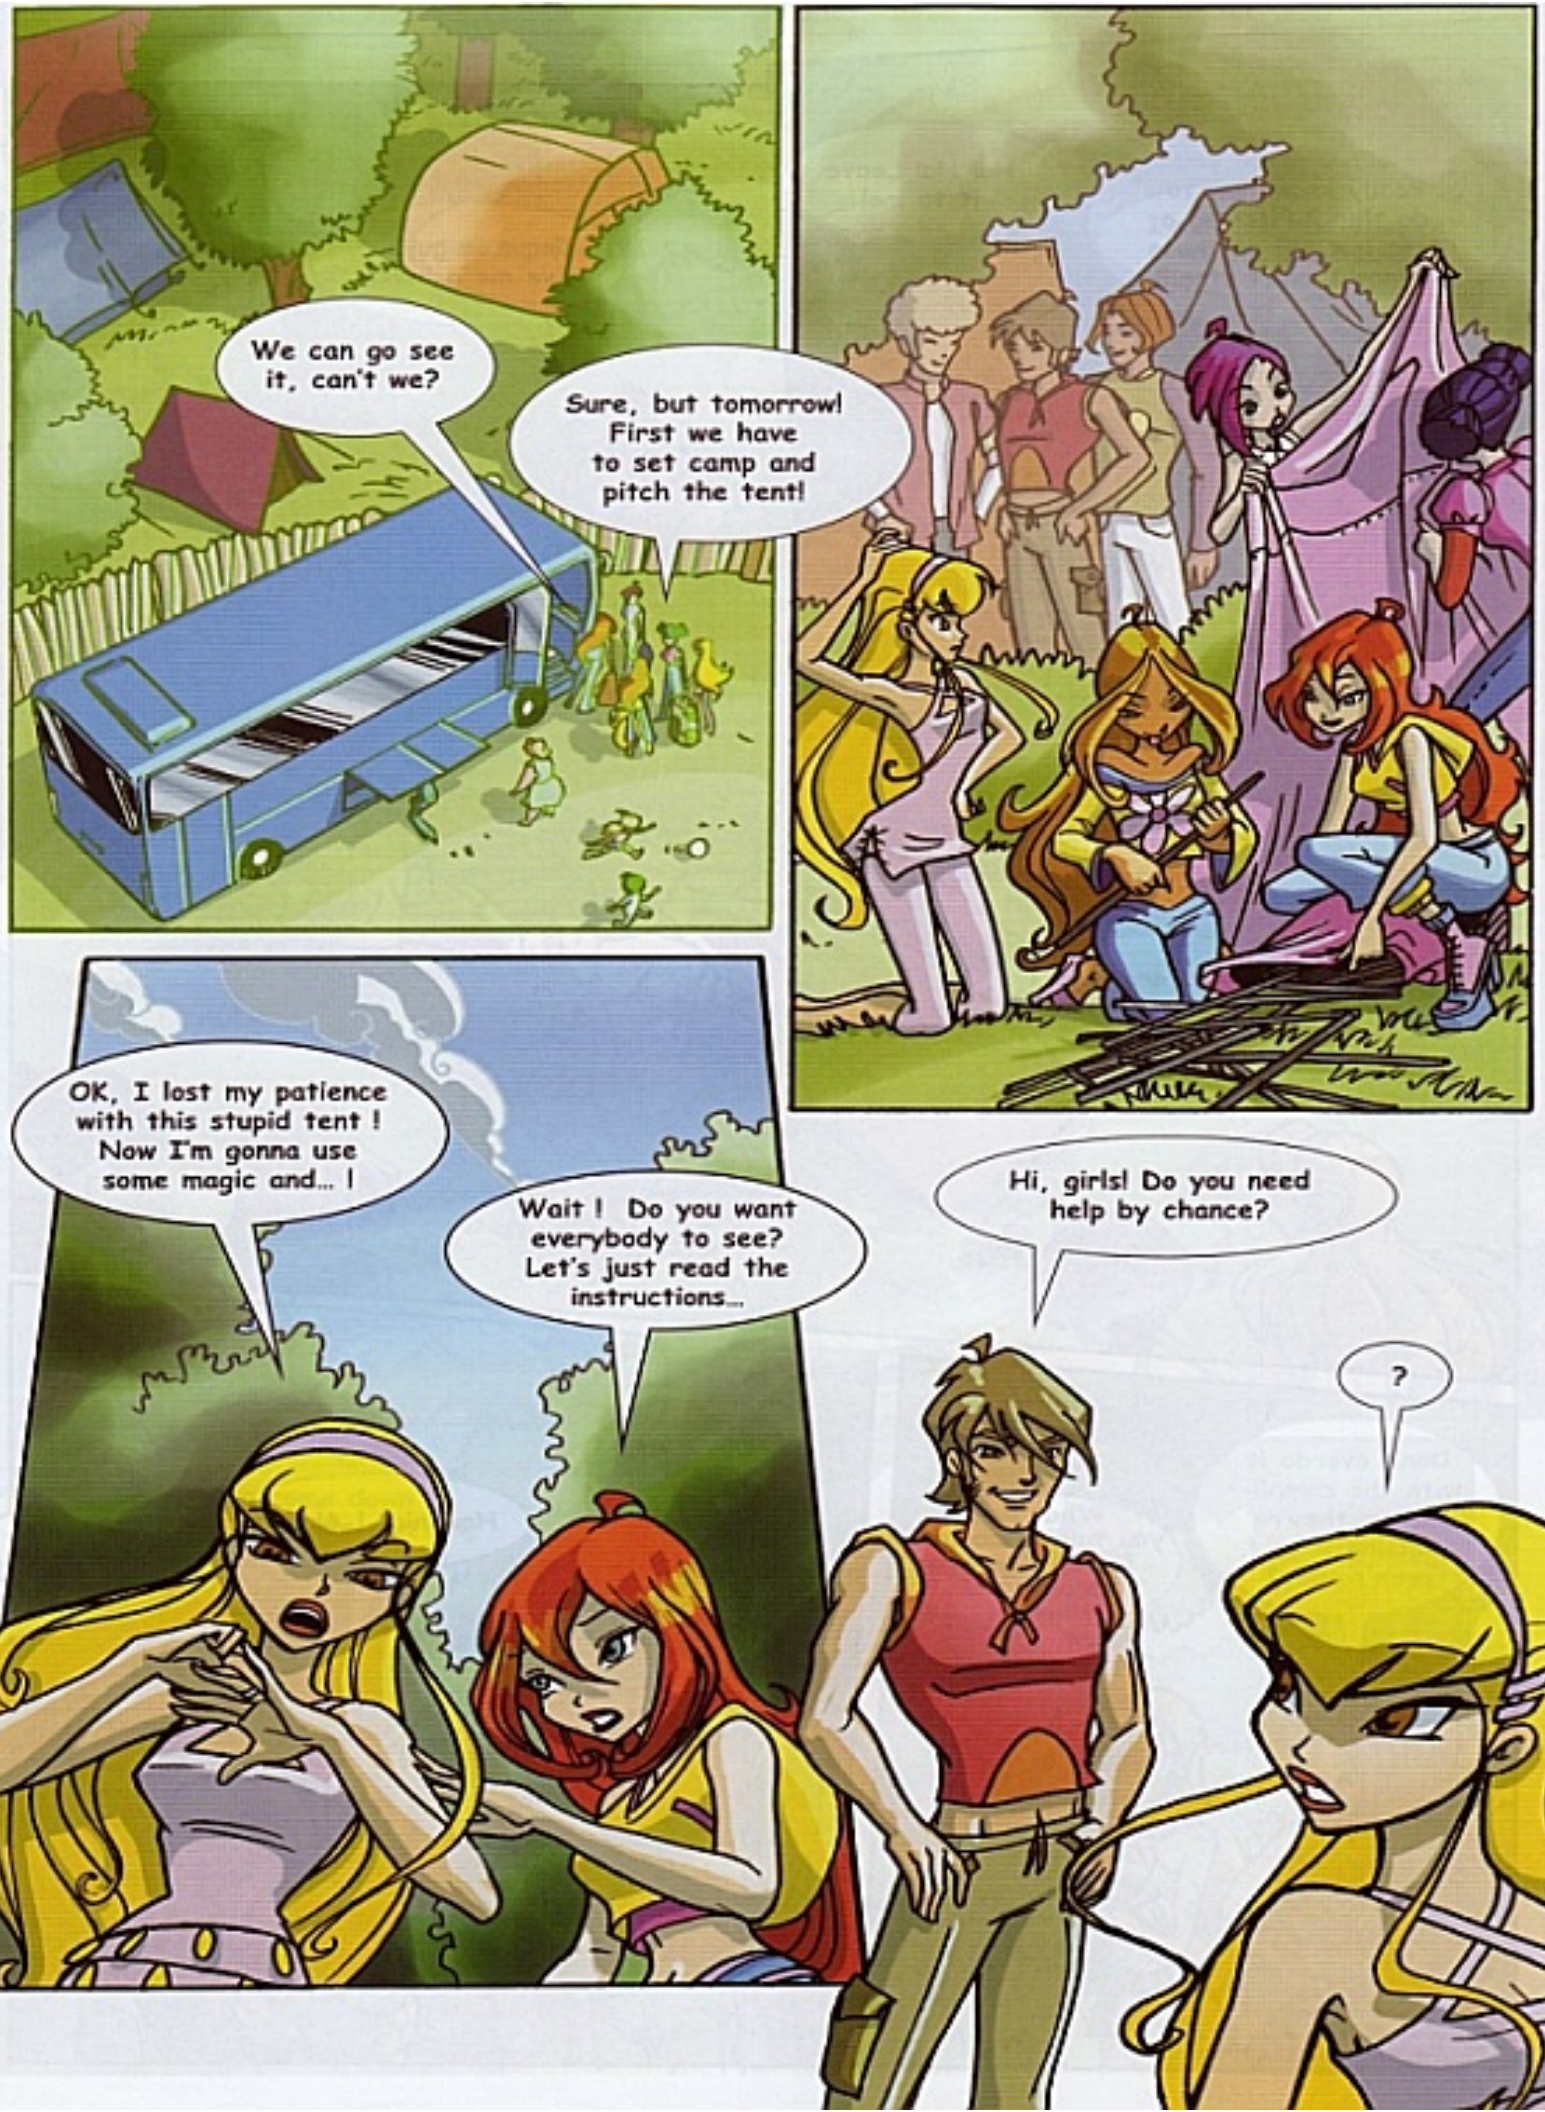
... So you're the friends Bloom talks so much about! Welcome! Welcome!
You're Stella, aren't you? I recognize you!
Hello, miss!
If they think there's a fire I wouldn't want to see all my fellow fire-fighters running in!
Ha! Ha! Ha!
Ehm ... we better close the curtains! I don't want the neighbors to worry, with all these flashes of light!

Will you play the host, Bloom?
Sure, mom ! Come on, girls!
Here it is, this is my room! ... Hmmm, actually I remembered it being a little bigger!
It's so nice!
My mom always keeps it clean for me...but we're really gonna be cramped!
Don't worry ! Did you forget about magic?
It's more powerful here on earth... POWER OF THE WAND, TO ME!
MOVE THE WALLS A LOT, WITH ALL THE SPACE YOU'VE GOT...
SHUUUUSH

YOU HAVE TO WIDEN TOO, THE OTHERS WILL FOLLOW SOON!
SWUOOOOOOOS
WITHOUT SAVING FURNISH AND DECORATE, MAKE ALL TRUE TO SEE AND CONTEMPLATE!
He! He! Decorating has always been Stella's passion!
Here you are...what do you think?
Yahoo!
Fantastic! Let's party!
Oh, my goodness!

... But inside we'll be as comfortable as ever ! Ha! Ha! Ha! Sometimes being a fairy is so cool!
You went too far ! What will the neighbors say?
Are you kidding ? You can't see anything from outside, obviously...
Not bad ! ... But it'll only be for tonight, right Bloom? I'm curious to see that campsite you were talking about!
I can't wait either!
The day after...
We're going tomorrow ! You'll see that if the sun's out and you're on vacation, earth is just as good as Magix!
... And please be careful ! Are you sure you have everything?
We'll call as soon as we get there!
Don't worry, mom !

Ugh... this bus is so primitive!
Aren't you excited ? I can't wait to see the sea!
Don't be such a pain, Tecna ! It's all part of the trip!
Just look outside ! The view is wonderful!
WOW! There's even a castle!
That's the castle of Balmoral ! Just think. It was TAKEN APART by an English noble piece by piece where it used to stand and then rebuilt here!
Really?
That's right ! And they say there's even a GHOST ! Brrr! Isn't it exciting?



We can go see it, can't we?
Sure, but tomorrow! First we have to set camp and pitch the tent!
OK, I lost my patience with this stupid tent ! Now I'm gonna use some magic and... !
Wait ! Do you want everybody to see? Let's just read the instructions...
Hi, girls! Do you need help by chance?
?

Helloooo ! Do you really know how to do this ? Pitching a tent is ONE of those things I can't stand!
Ha! Ha! Leave it to me!
Come on guys... give me a hand!
Pull here!
You guys are good ! It's a good thing we met you!
Don't overdo it with the compliments...they're setting it up, aren't they?
What are you talking about? I'm only giving some moral support!
Done ! How's that?
How nice ! Alright!
Thanks! Thanks!

My name's Martin...and my friends are Oliver and Peter!
Hi, Martin. I'm Stella!
I'm Bloom!
I'm Musa...and they're Tecna and Flora!
So we're gonna be tent neighbors...we can go for a swim together, what do you think?
Maybe...but I'm so tired!
I'd rather rest! Maybe tomorrow, or the day after...
Uhm! Whatever...
Why don't you come down to the beach tonight ! We can sing and dance around a bonfire!
Thanks, Martin! We'll let you know!
See you then!
Bye! Bye!

Are you finished flirting?
If you don't have them all buzzing around you you're not happy, are you?
They pitched our tent, didn't they ? The least I could do was be nice...and who knows what else they can do for us!
Ahhhh, what a bore!
Don't talk like that! Being nice just to get something in return isn't right!
Stop preaching, ok ? It's the woman's job to be nice... and the man's job is to pitch tents, plow the fields, build things... I didn't choose!
Who says we're going to the beach?
I only go with the flow ! Enough with the talk and let me take a nap!
Sure ! If not I'll look terrible dancing on the beach! Don't you see the bags under my eyes?
What ? You're going to bed so early?
You're a pest! Take that!
Whaaat?
Ha! Ha! Ha! Did you have any doubts?

How can you turn it down? ...
Aaaah, I have to admit that it's great on earth too, Bloom! This evening is fantastic!
I told you you would have fun!
Ok, enough with the slow stuff, let's put on something that rocks, alright guys?
Yeaaaah!
I'll choose the music!
Ha! Ha! Come on Bloom

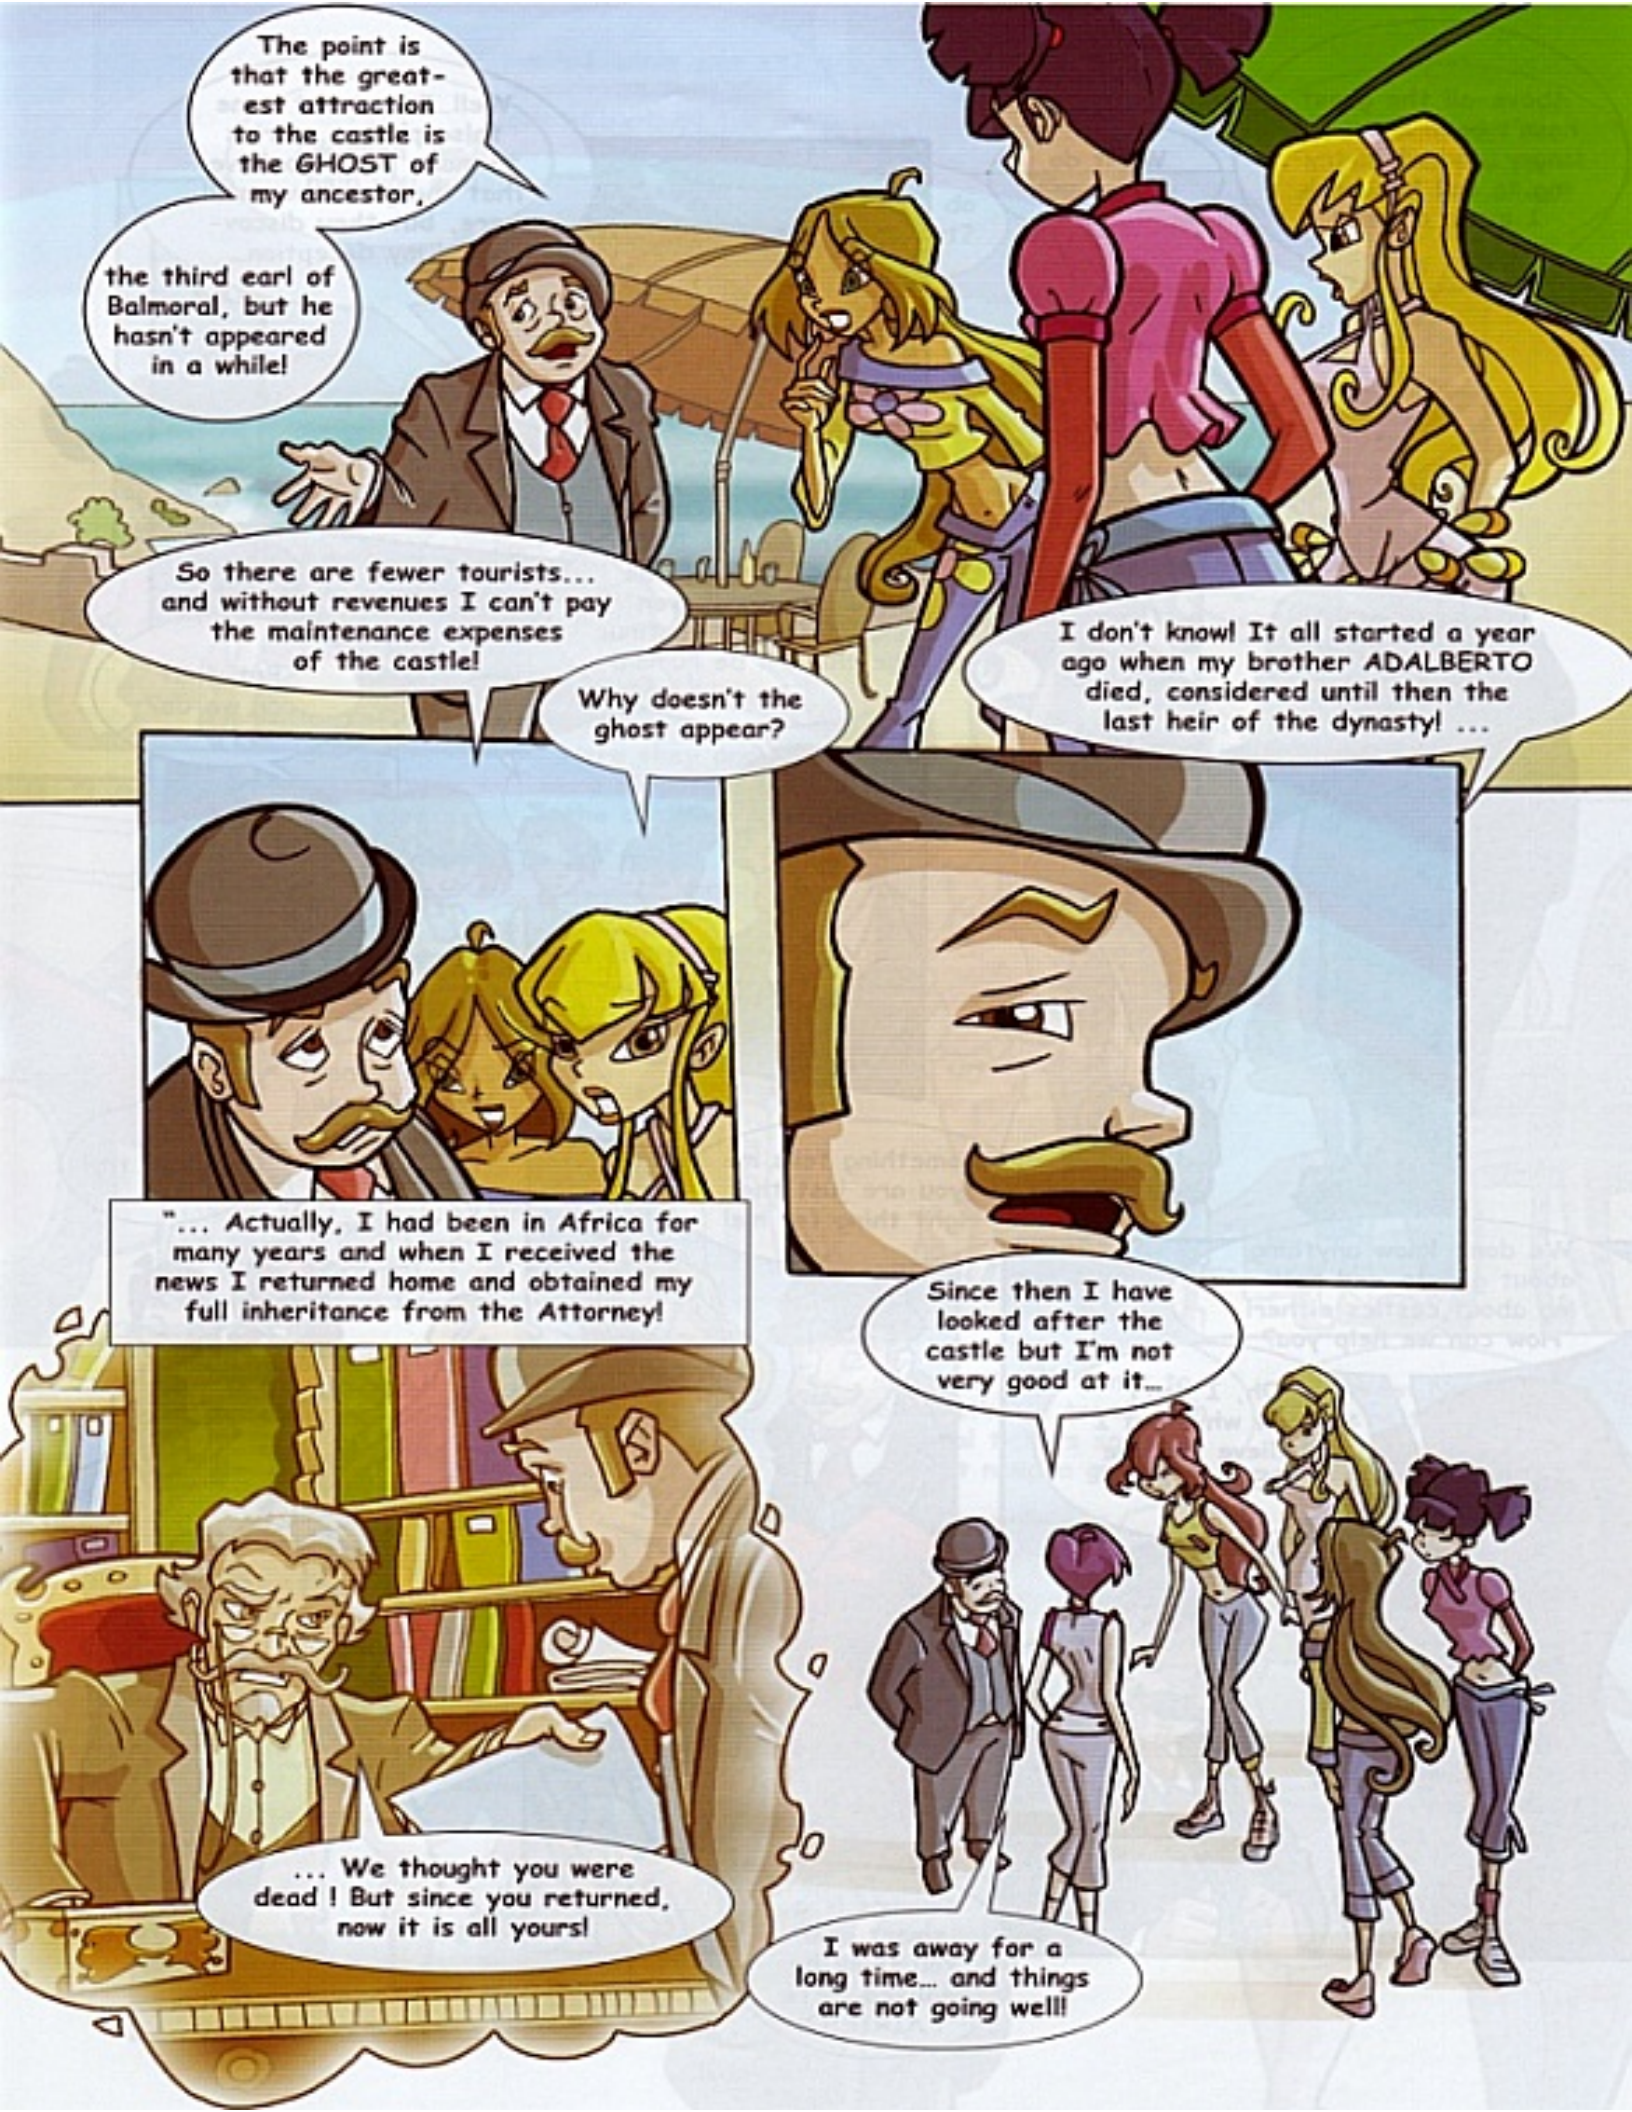
You wanna dance, Stella?
Thanks, Martin! Just a little, though!
You know, I thought me and you...
Sshhh... don't go on!
I have a boyfriend, Martin...and I love him!
What?
We can dance and be friends, if you want...but nothing else!
Darn, and you tell me like that? If at least...
... Oh alright? But I'll still try to conquer you, as long as you stay at the campsite, ok ? I don't give up that easily!
Ha! Ha! Nor do I!
Let's dance, come on! Let's not waste time!

Everything ok, Stella?
Sure ! Ha! Ha! Ah! What did you think?
You know what I think ? ... That sometimes temptation makes love stronger, not weaker!
Maybe!
I thought you forgot about Brandon, that's what! That wouldn't be nice!
Ha! Ha! My Brandon...and how could I forget?
And I'll tell you one thing! I miss Brandon so much that when we're back in Alfea I'll jump on him! Isn't it the same for you with Sky?
Yeah!
But what are his temptations ? ... And can he resist them?

The morning after, cultural intermission with a visit to the castle...
BAR
... So, are you coming ? We have to get the tickets!
Ahhhh ! Let's wait a little...it's so nice here!

I don't feel like walking and I'm sleepy!
Just say you danced too much last night! You never got enough!
Mmmm... it was so much fun, though! I'd do it again tonight!
Hey, did you see that man ? It's some madman looking at us!
He's been checking us out for a while, I'm telling you! Who can it be?
Careful ! He's coming our way!
What?
Good morning my ladies! May I ask you something?
Huh?
Yes...you may!

Ehm...do you notice anything strange about me?
Strange?
Yes! Unusual, I mean... out of the ordinary! Do you notice anything?
N..no! No! You look totally normal, sir!
Ah, well...then allow me to introduce myself ! I am Lord EUFELMO of BALMORAL, last heir of the dynasty and owner of the castle!
Huuuh?
Wow!
You mean the castle is really yours, all yours?
That's right ! He! He!
Ahhh ...I'm afraid that is precisely the problem ! And that is why I need your help!
How nice! With all these tourists you must earn a lot of money!
?!?



The point is that the greatest attraction to the castle is the GHOST of my ancestor,
the third earl of Balmoral, but he hasn't appeared in a while!
So there are fewer tourists... and without revenues I can't pay the maintenance expenses of the castle!
Why doesn't the ghost appear?
I don't know! It all started a year ago when my brother ADALBERTO died, considered until then the last heir of the dynasty! ...
"... Actually, I had been in Africa for many years and when I received the news I returned home and obtained my full inheritance from the Attorney!
Since then I have looked after the castle but I'm not very good at it...
... We thought you were dead ! But since you returned, now it is all yours!
I was away for a long time... and things are not going well!

Above-all the ghost hasn't been seen any longer...and while trying to call him back I made a mess!
What do you mean?
Well...I sent out some false photos...a trick to make people believe that the ghost was still here, but they discovered my deception...
... And so the BAD PUBLICITY kept the tourists away even more ! If things continue like this I'll be ruined!
Oh!
But what can we do?
I...I don't know! What do you think, girls?
We can try!
Why not?
Something tells me you are just the right thing for me!
We don't know anything about ghosts...and nothing about castles either! How can we help you?
Oh, I don't know why, but I believe you are SPECIAL girls!
Gramps is a smart one! You think he realized we're FAIRIES?

Ok then, we'll help you out!
Aaaah, delightful!
Where do we start?
We should tell the boys ! Did you forget we're not alone?
Here they are! We were supposed to visit the castle together, remember?
Stella! Bloom... are you coming ?
The guided tour starts in ten minutes ! If you don't hurry up we'll miss this turn too!
Oh, if it's that, not to worry! It's my treat...with special tickets so you don't need a guide!
Wow! Now we're talking!

So, we can all go ! Come on Martin, are you scared of the ghost?
Ghost ? What do you mean ?
It's only make-believe, isn't it! I don't want to get involved in that supernatural stuff!
Ha! Ha! Come closer then ! That means I have to protect you!
Can the ghost be dangerous?
Oh! Noises and chains are only a show ! He is actually kind-hearted and wouldn't hurt a fly!
As long as we find a way to make him come back ! If we're not in time I risk losing the castle forever!
What did you mean?
Well, I didn't tell you, but there are some people who want to take over the entire area! ...

They want to demolish the castle to build a hotel !
I can't allow that, of course...
... But I have some debts to pay and finding the ghost soon is the only solution!
WOW! A real old castle!
What did I tell you? I wouldn't sell it for all the gold in the world!
How wonderful!

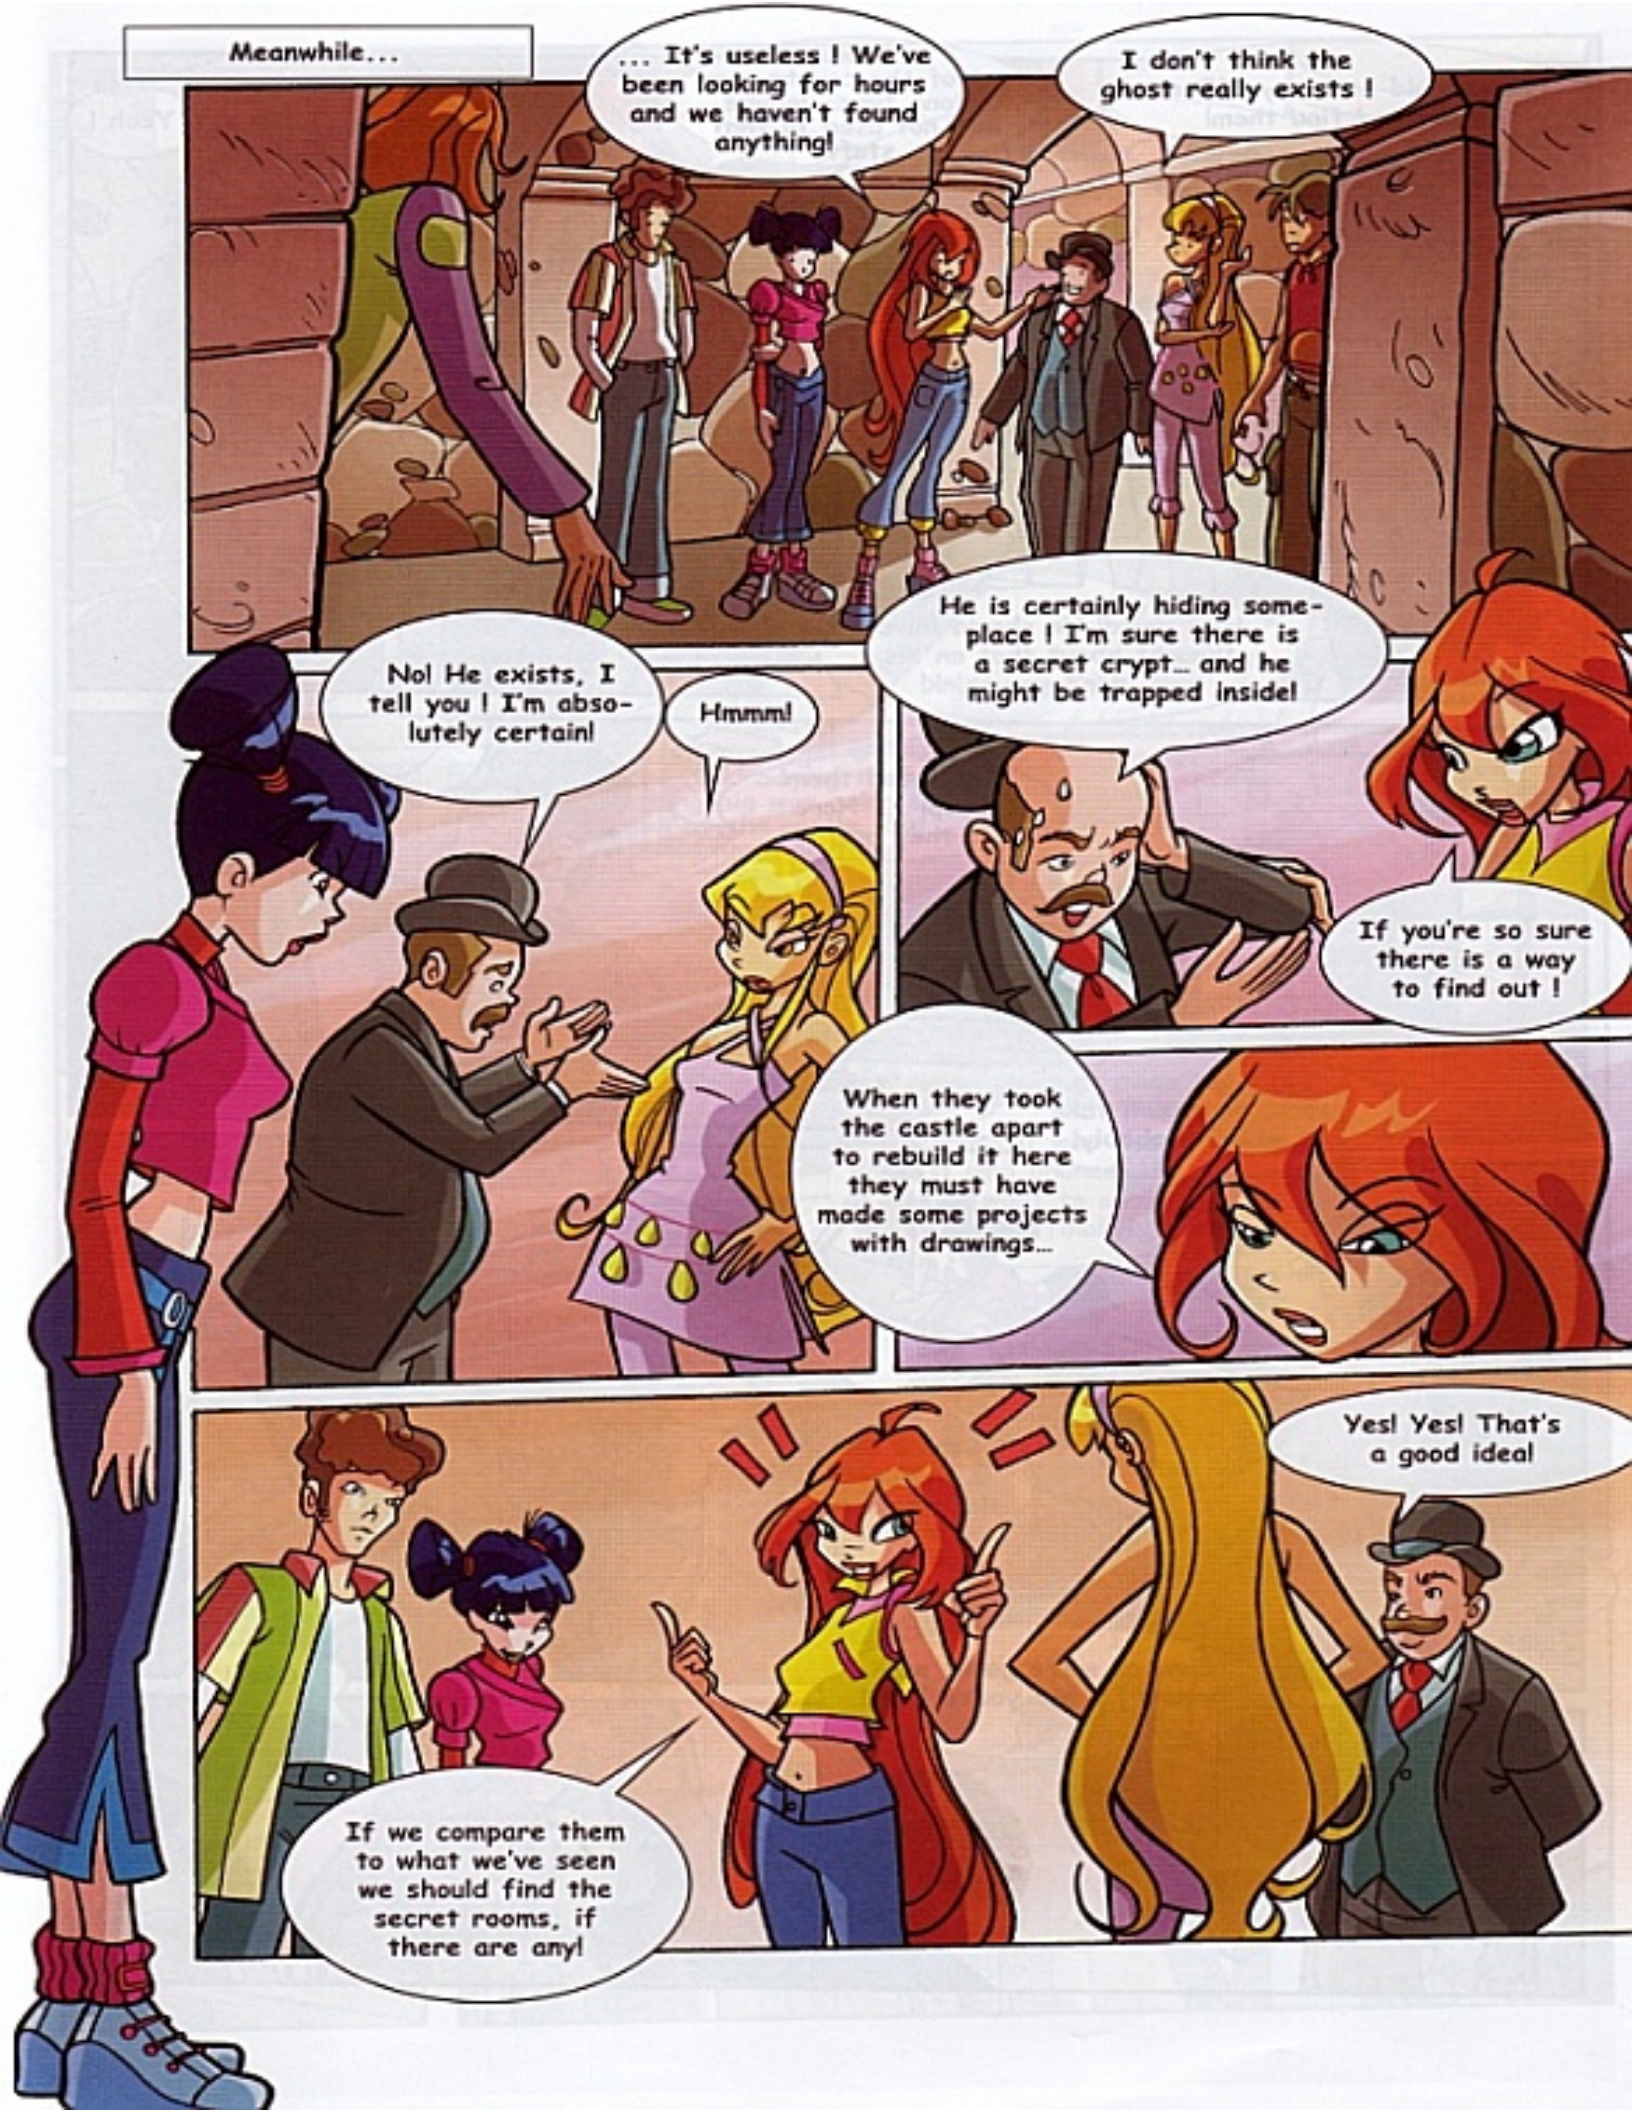
Let's split up and start looking!
Good idea!
Shall we go together, Stella?
Okay!
You're coming too, aren't you Tecna ? In three we'll be quicker to catch the ghost if it tries any tricks !
Sure !
!
Me and you can look upstairs, ok?
I'm coming too!
Then we'll look in the dungeon! Come on!

There are a lot of hiding places here, aren't there ? Maybe the ghost left some traces!
Stay close if you're scared ! ... By the way, you know you're really pretty?
Did you know that when a girl kisses a boy she becomes even prettier?
What?
Let's try it, come on...
Martin... stop being stupid or...
SBODO BNG
AAAAH! THE GHOST!

OOPS! ... Sorry, I bumped into it by accident and...
Everything ok, Tecna? Thanks!
Don't mention it, Stella ! Where has our hero gone?
Is he gone, or not ? I didn't want to come in here, I told you!
Did you hear ? Do you think it was the ghost?
Certainly not!
How do you know?
Huh? Well, you know... hmmm...I'm not entirely certain, but...

The ghost uses chains, usually...the noise we just heard sounded like pots!
Ahhh! If you say so!
Let's keep looking...even if it's like looking for a needle in a haystack!
Meanwhile, not far away...
Sir! Sir...I just got back from the castle! There's some news!
Well?
I blended in with the tourists as usual... and I saw the earl take on a group of kids to look for the ghost!
Yeah! I have never seen them before! It's clear he's making another attempt to find the ghost before the mortgage on the castle is due!
If they find him your business might fail!
Aaaah, what do you think a few rug rats can do ? Besides, ghosts don't exist!
Kids?

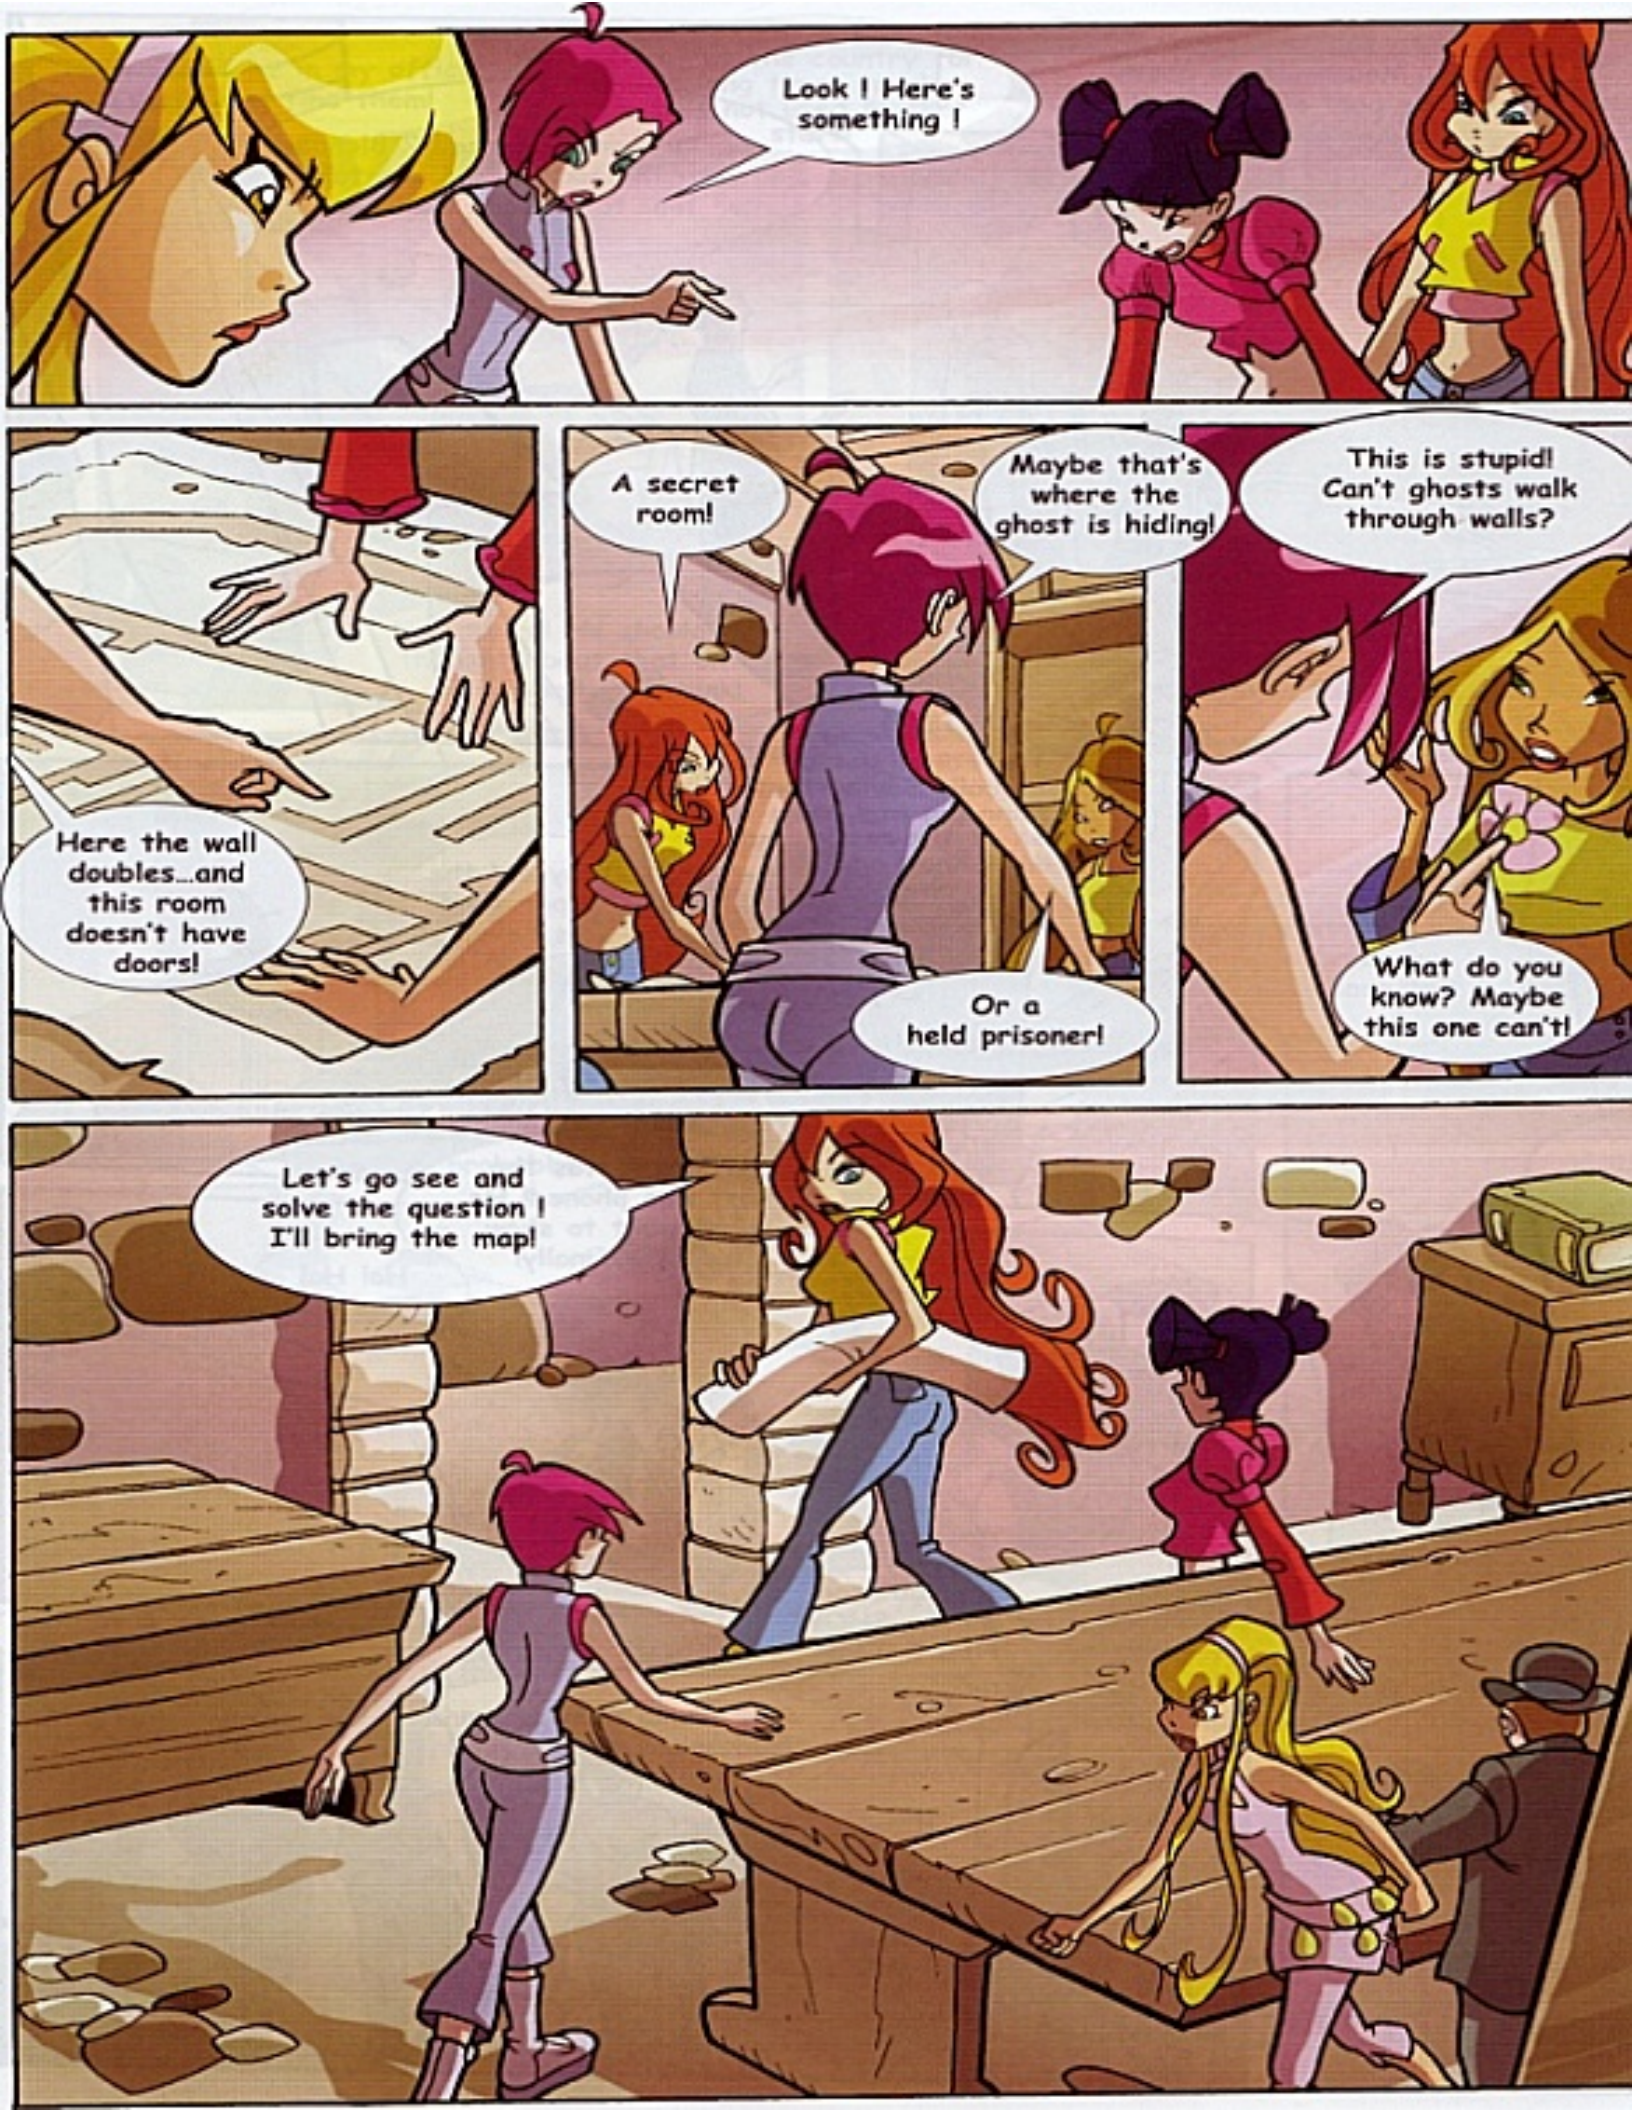
Anyway, I've schemed up a little trick that will put an end to this issue once and for all! You'll take care of it!
What did I have to do?
Call our men and arrange a FAKE ghost to scare the tourists well...
What?
.. But first I intend to call a group of REPORTERS so the appearance is made on-the-air live!
I understand! Our men will let themselves be discovered...
... And the reporters will think it's another trick of the earl and throw mud on all the papers and on television! Ha! Ha! Ha!
Aye ! Aye ! The bad publicity will totally ruin him!
He's already done it once, and a second time will not be forgiven ! You have to do everything by TODAY!
I'll take care of it.



Meanwhile...
... It's useless ! We've been looking for hours and we haven't found anything!
I don't think the ghost really exists !
He is certainly hiding some-place ! I'm sure there is a secret crypt... and he might be trapped inside!
No! He exists, I tell you ! I'm abso-lutely certain!
Hmmm!
If you're so sure there is a way to find out !
When they took the castle apart to rebuild it here they must have made some projects with drawings...
Yes! Yes! That's a good idea!
If we compare them to what we've seen we should find the secret rooms, if there are any!

They should be in my office! I'll run and find them!
He was out of the country for a long time... maybe he's not used to that stuff!
Yeah !
How weird! He should have thought about that on his own, don't you think!
I've found them! Gasp! ... Here they are!
Let's get down to work, girls! It'll take a while, probably!
Look ! This is the corri-dor where we were earlier!
Ehm...ok we're gonna walk around ! I see you're busy!
Okay!

Meanwhile, in another part of the castle...
... So, are we all agreed ? Blending in with the tourists we can take our time to prepare the show!
The editor got a phone call. Saying that something big was going to happen at the castle, but I don't know anything else!
Why did the paper send us here?
The reporters are here! Get ready!
Perhaps it was the ghost who phoned! He might want to show his face finally!
Ha! Ha! Good one!
Hey, but can a ghost... SHOW HIS FACE?
Ha! Ha! Ha!
Give me a break!



Look ! Here's something !
Here the wall doubles...and this room doesn't have doors!
A secret room!
Maybe that's where the ghost is hiding!
Or a held prisoner!
This is stupid! Can't ghosts walk through walls?
What do you know? Maybe this one can't!
Let's go see and solve the question ! I'll bring the map!

There...this is it !
But there aren't any cracks!
In a limited space and without tourists around, we can use magic...
MAGIC WAND, TO ME!
LET US SEE AND MAKE CLEAR TO ALL THE MYSTERY HIDDEN WITHIN THIS WALL!

Look ! There's a hidden door!
Fantastic!
SCRUMB
SKRYLUNK
You did it ! I told you you were special!
But the ghost isn't here!
It's really a secret room!
Look at those books!
It looks like an old spell book...

D...did you hear that noise?
Wh...what was it?
Ma...maybe it was the ghost!
He won't come back right now! Let's hide someplace!
AAAH! THE GHOST!
Darn...they discovered us!
Curse it!

Let's run... HUH!?!
Where do you think you're going?
They saw everything! What shall we do with them?
We have to get rid of them after the show!
Let's lock them in here!
Huff!
GET MOVING!
But was that really a ghost?
The reporters have come in! Let's not waste time!
I think so!

Meanwhile, in the secret room!
There's a spell for evoking the ghost!
Let's see if it works!
COME OH GHOST OF THE EARL OF OLD APPEAR BEFORE US AND DO AS YOU'RE TOLD!
Aah! What's happening ?
It's so cold!
UUUUUUSH!
Do you think it was the ghost?
I don't see anyone!
Hey, where did the earl go?

He was here a minute ago!
Who knows where he went !
Right at that moment the ruffians are about to go into action...
Now's the time... PULL!
HEAVE!
There's not a soul around ! We came for nothing!
They played a joke on us!
If I find out who called the paper...
UP THERE! LOOK !
OOOOUH!
THE GHOST! Then it really exists!
The earl was right!
No way! It's impossible!

It's a trick! The earl tried to trick us again!
Ha! Ha! How naive!
He's fooling around with us!
Take a pic-ture ! This time we'll give him a lesson!
He! He! It's working!
In a minute make him fall and the show will be perfect!
HUH! HUH!
AAAAH! LOOOOOOK!
THE REAL GHOST!
AAAAH!
AUAAWGRR

RUUUUUUUNNNNNN!
Hey ! Don't let go of the rope! AAAH!
Hey, that's a real ghost!
Then it real-ly exists!?!
This is a real scoop !
Film it! Take the picture!

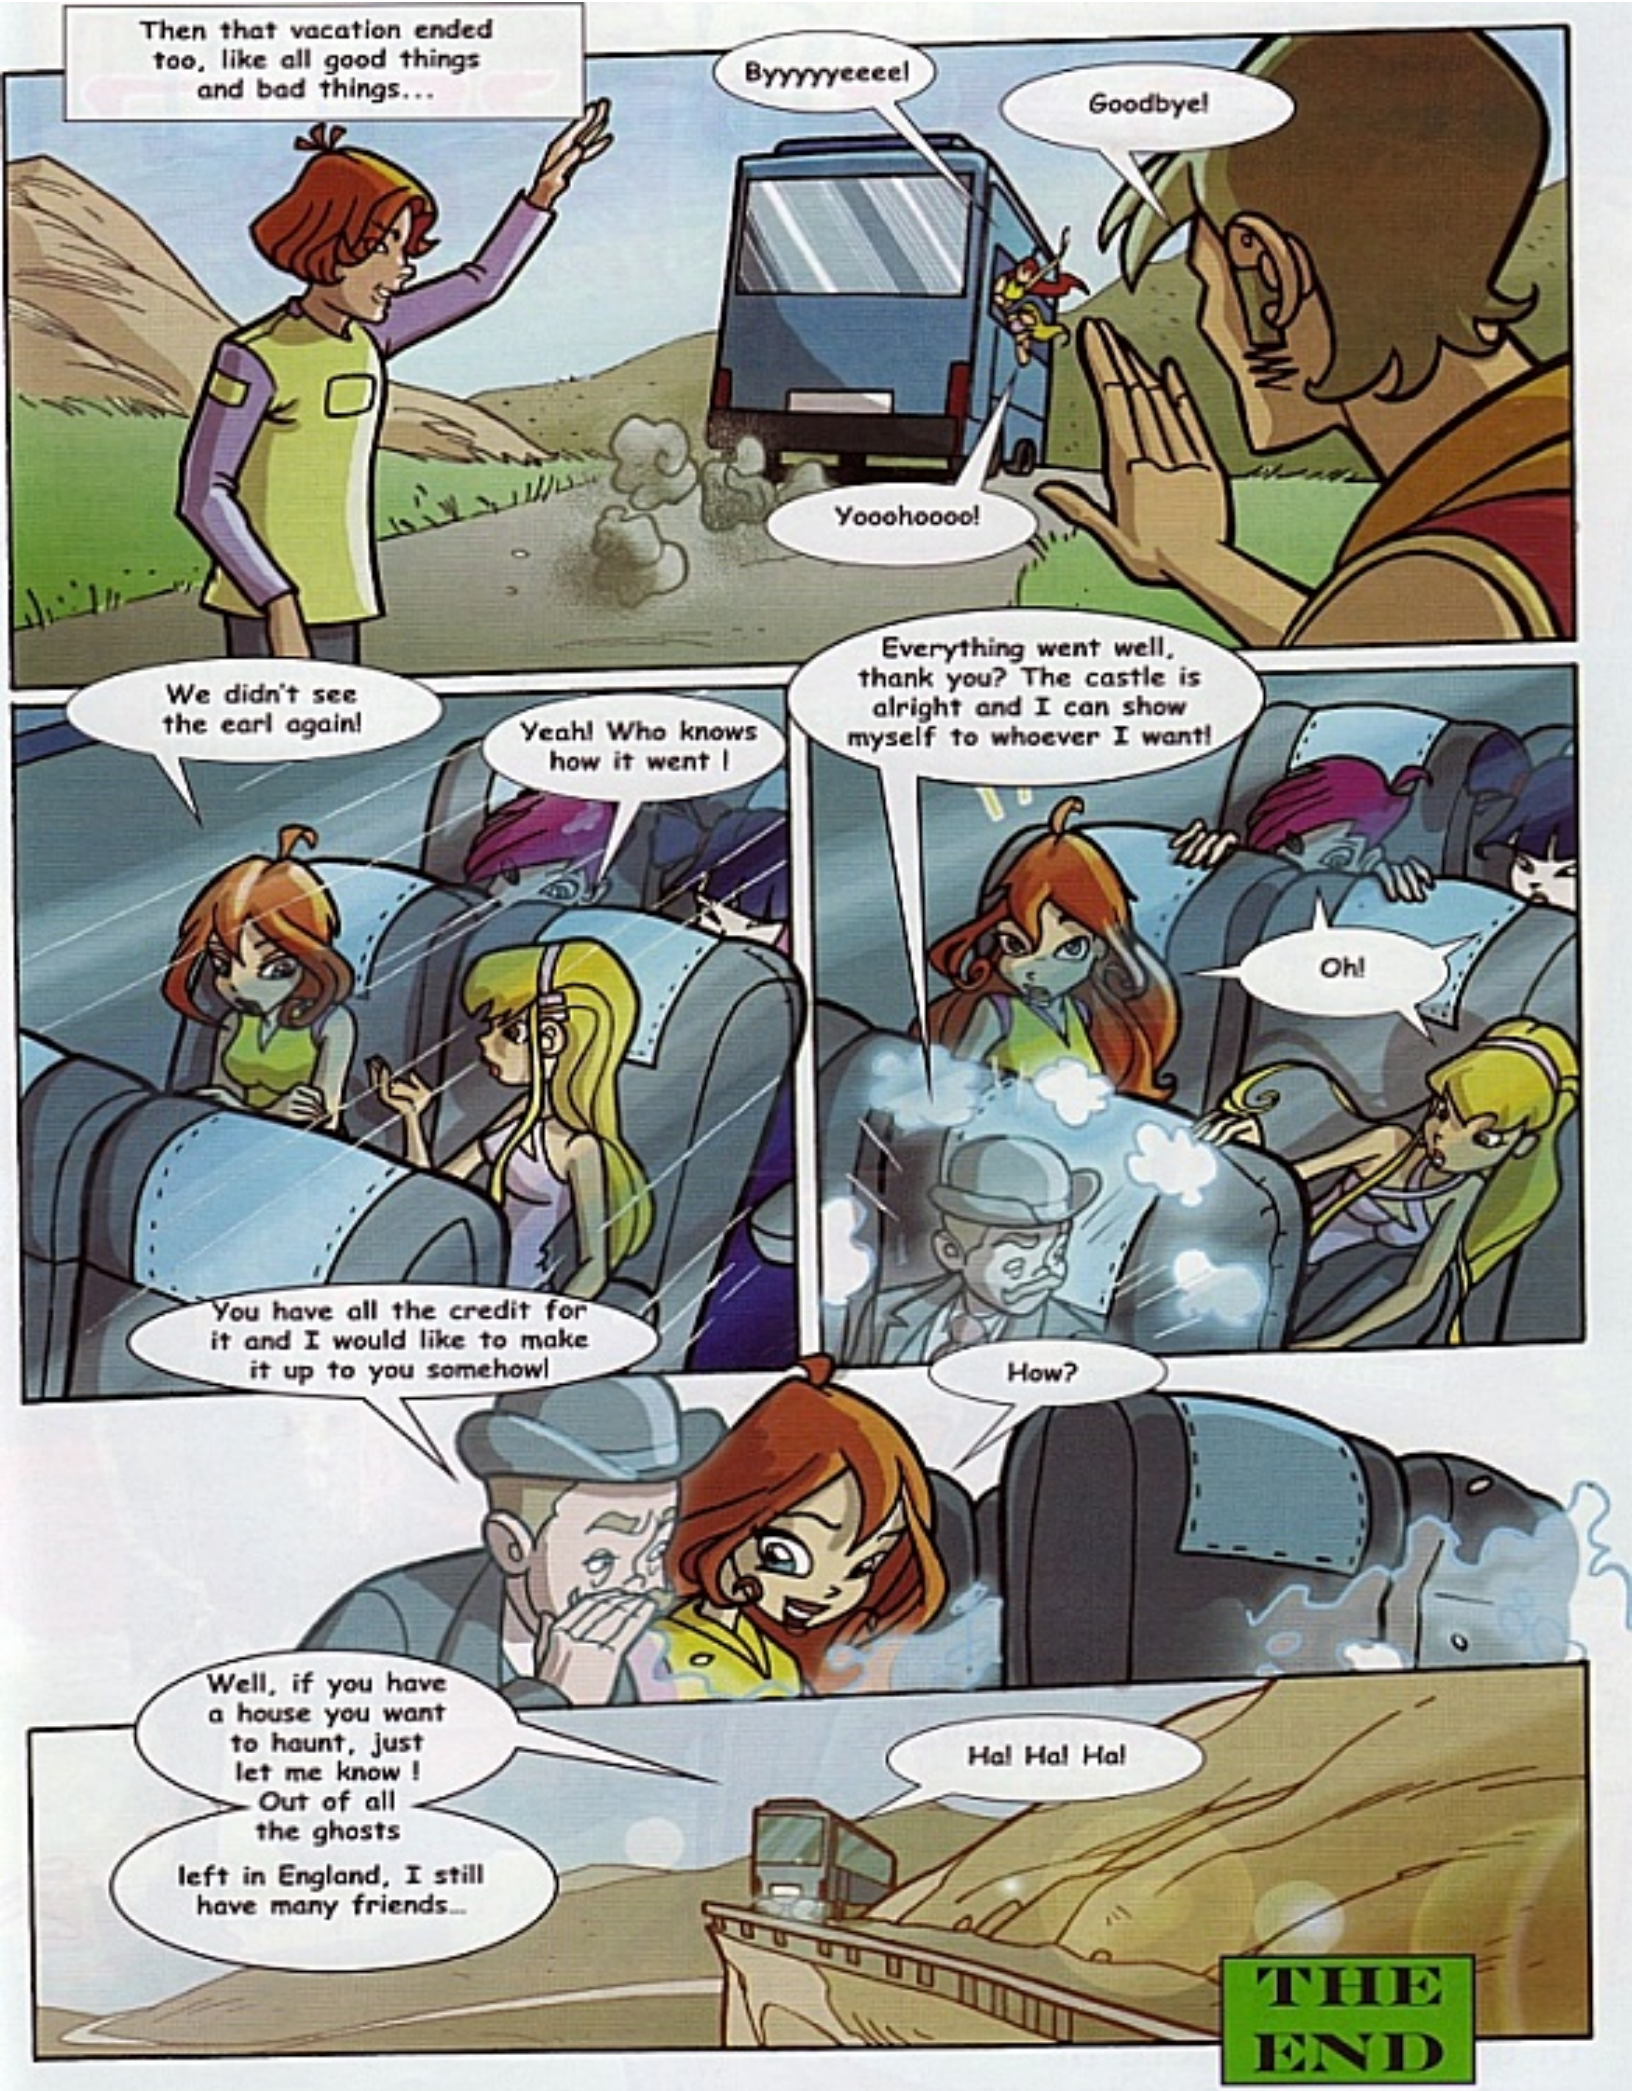
Who screamed like that? Did you hear ?
It came from the hall!
Let's go see, quick!
Oh!
?!?
Careful !
Hey!
But...you passed right THROUGH him?!?
Then...he's the ghost!
That's right ! He! He! You finally understand!

Mr. Earl...you owe us an explanation!
Certainly, my friends ! But first let me thank you from my heart for carrying out the mission so well!
The fact is that Lord Eufelmo really did die in Africa 20 years ago and when
ADALBERTO did too, the last heir of the dynasty, there was no longer a master!
"As a ghost, what could I do to prevent the castle from falling into the hands of those terrible speculators ? The only thing left for me to do was COME TO LIFE using the magic spell from the magic book!"
"And that's what I did! But when I left the secret room the door closed behind me and I fell victim to a terrible headache!"
You pretended to be Lord Eufelmo come back from Africa! That's why you were so...ehm...out of it!
And above-all, I couldn't remember where the secret room was to reread the spell and go back to being a ghost!
That's right ! Being HUMAN is terrible! I didn't know how to eat... nor how to sleep...

So, once I received the inheritance as Lord Eufelmo I had to remain human...
... But you couldn't play the ghost to attract tourists!
Right! But then I saw you and as a former ghost, I immediately realized you were special girls...
What will you do now?
... You mean the only ones who could help you without thinking you were crazy!
Oh, loads of reporters saw me and thanks to the publicity the castle is safe forever!
But I don't want to stay human! Being a ghost is much better and convenient... but what can I do to manage the castle?
Well, you could donate it to the city while you're still an earl!
Then the mayor would take care of it...and you, thanks to the spell, can go back to being a ghost full time!
Hey ! That's a great idea!
So you've saved me again! Let me embrace you... OOPS!

Oh, sorry! He! He! I have to be totally human if I want to shake the mayor's hand for the agreement!
I'll go and read the spell! Thank you again for everything!
"What an adventure ! Later on we found the guys but they didn't have fun at all! ..."
... We finally found you!
This wax is ugly ! Did you see a ghost by chance?
Goodbye!
Don't even mention it!
" ... And there were other explanations that we didn't speak about!"
... But what did the earl mean when he said you were "special"?
Ah, he didn't tell us!



Then that vacation ended too, like all good things and bad things...
Byyyyyeeee!
Goodbye!
Yooohoooo!
We didn't see the earl again!
Yeah! Who knows how it went !
Everything went well, thank you? The castle is alright and I can show myself to whoever I want!
Oh!
You have all the credit for it and I would like to make it up to you somehow!
How?
Well, if you have a house you want to haunt, just let me know ! Out of all the ghosts left in England, I still have many friends...
Ha! Ha! Ha!
THE END
